

## KININSO INTERNATIONAL FESTIVAL

Kininso International Festival of Theatre is an annual theatre festival for children organized by Kininso Koncepts Productions with special focus on works dedicated for early years, children and teenagers. Birthed in 2016; our festival aims at introducing children to live performances at an early age and to tap into their creative abilities at an early stage. Our festival seeks to gather five thousand children in Lagos, with performances, workshops and talk sessions with various artistes, directors and other theatre stakeholders in Lagos. Our festival themed **Space for Hope, Birth Possibilities**, is poised at strengthening and creating awareness on the not so vibrant nature of children and early years in Nigeria. As a fast growing festival we seek for support, sponsorship and partnership.
